

HIGH PEAKS HOSPICE IN A SKILLED NURSING FACILITY

HIGH PEAKS

HOSPICE

**Hospice helps you to live your best
life, wherever you call home**

What are the Benefits of having Hospice Care in a Skilled Nursing Facility?

A skilled nursing facility offers 24 hour care for their patient, and it becomes their home. Hospice Care will simply supplement that care and provide additional services for you, and is a free benefit through Medicare and most private insurances.

Your Health, Your Preference, Your Hospice.
