within the local communities we love.*

Revised 08/2024

Partner with us

*in helping people live their BEST life
for their WHOLE life...*

Dear Community Partner,

At High Peaks Hospice, we value every bit of support we receive from our communities. **It's our goal to show our local businesses how they can make the most of their contributions by partnering with us as a corporate sponsor.**

Some of the specialized care we provide includes:

- Medications, skilled nursing care, equipment and supplies related to a terminal illness to ensure our patients are comfortable.
- Helping family caregivers become more confident in the care they provide.
- Connecting patients with warm and caring volunteers who provide friendship to patients and respite for the family.
- Spiritual and emotional support, allowing peace of mind for the patient and their family.
- Bereavement support for loved ones.

Since High Peaks Hospice and your business share so many community members, we'd like to enter into a partnership.

To recognize this, we would highlight you as a valued corporate sponsor on our web page, social media channels, and marketing materials.

Through this partnership, we hope to help you make the most of your corporate philanthropy budget and increase organizational awareness of our mission.

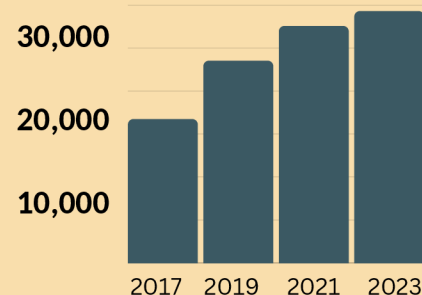

If supporting your local hospice and our shared community aligns with your goals for the year, please reach out to us at 518-891-0606.

We look forward to hearing from you!

High Peaks Hospice by the numbers*

Total Patient Care Days

29,314: Total patient care days

597: hospice patients cared for

46: Average number of days on service

62: Average daily census

Ways your sponsorship helps us help others...

High Peaks Hospice provides a full range of services not only to the patient, but also to their caregivers and loved ones. Our goal is to ease the physical and emotional pain that often accompanies a terminal illness and bring peace, comfort, and dignity at the end of life.

Your sponsorship funds help support community members in the following three categories:

Unreimbursed Expenses and Care

Unfortunately, not all services we provide are reimbursed by insurance. We never turn anyone down due to the inability to pay and do not charge families for care expenses not reimbursed by insurance.

Your sponsorship covers unreimbursed expenses such as:

- Medical transportation for patients to and from hospitals or other care facilities.
- Medication co-pays and hospital respite stay copays that High Peaks Hospice does not pass on to families
- Mileage for the care team to visit patients in their homes throughout our vast 5,400 sq. mile coverage area
- Admission packet for families
- Community presentations and educational materials
- Family informational sessions

Support also helps cover the cost of care for those without insurance coverage.

Volunteer Led Programs

We Honor Veterans Program

Our special way to honor that our veterans for their service by:

- Presenting them with a framed Certificate of Appreciation, a flag lapel pin, and a handcrafted red, white and blue blanket.
- Honoring our Veteran Families with a special Remembrance Gathering for all veterans that were lost on our service.
- A Patriotic Themed memory Bear handcrafted for each veteran family.
- Making a special visit to all veteran patients during the week of Veterans Day.

Pet Peace of Mind Program

We understand that pets are a special part of the family, often providing great comfort to patients. Our volunteers assist patients in caring for their cat or dog by offering the following services:

- Weekly Dog and Cat Care - Includes walking, playing, waste cleanup, changing the litter box, etc.
- Transportation - Picking up food, medications, and supplies and taking pet to the veterinarian or groomer as needed.
- Educating/ Coaching/ Counseling - Providing education and supportive counseling for patients and their families about care needs and future plans for pets.
- Providing adoption assistance - Connecting to local organizations when the patient or family is unable to continue caring for the pet.

Bereavement Services

We support surviving loved ones with bereavement services for 13 months or more.

Funds received allow our bereavement programs to be offered free to anyone in the community by covering the cost of materials, supplies, specialized training, and staff mileage to community sessions and events.

Our grief support services consist of:

- Individual grief support sessions
- Remembrance gatherings
- In-person and zoom peer support groups
- A lending library
- Telephone and email contact
- Newsletters
- Resources for additional grief or support needs

**HIGH PEAKS HOSPICE
BEREAVEMENT**

Adult Grief Support Groups

Offered at no cost to anyone living in the communities we serve. Both in-person and zoom session are available. Although many who receive support are family, friends, and caregivers of our hospice patients, no previous hospice utilization is required. All are welcome.

Children's Grief Support Groups

Sessions offered throughout the year to children age 6-12 in our community. The program utilizes an arts and music-based, age-appropriate curriculum that educates about grief and provides a safe space for children to express themselves, process their loss, and find peer support.
